SOUTHWEST ARTS CENTER SERVICES

In 2001, Fulton County opened its doors to the Southwest Arts Center, the first facility built by Fulton County solely for the arts. Located on a 27-acre campus in the quiet Cascade community, Southwest Arts Center is dedicated to providing quality arts instruction and programs in a positive and creative environment. The facility features classroom space, built specifically for arts instruction, visual art exhibition programming, and staged performances in the Black Box Theater.

The 14,000 square foot education facility features classroom space built specifically for instruction in a variety of art forms - drama, visual arts, graphic design, music and dance. The 375-seat Theater and 1,300 square foot Art Gallery hosts a wide variety of performances and exhibitions.

AVIATION COMMUNITY CULTURAL CENTER

3900 Aviation Circle SW, Atlanta, GA 30336

AVIATION COMMUNITY CULTURAL SERVICES

The Aviation Community Cultural Center (ACCC) honors the men and women of Fulton County who have distinguished themselves in military and civilian aviation, provide dedicated arts programming, and serve as a new community resource for residents of Fulton County. ACCC preserves the legacy of the Tuskegee Airmen and the role they played in aviation history.

Aviation Community Cultural Center offers a broad range of arts classes for all ages and summer camps for youth and teens. In addition to arts programming the center serves the community with three unique services:

Aviation Based Services: careers in aviation training opportunities, educational resources, historical and contemporary flight-related exhibits.

Community Engagement Space: a large Multipurpose Room available for civic meetings, events and activities

Cultural Experiences: visual art exhibitions, public art installation, summer camps, visual art and dance instruction for children, teens and adults.

2017 PROJECTED ACTIVITIES

- ❖ Three (3) Arts Education Class Sessions Annually
- ❖ Summer Arts Youth Education Camp
- ❖ Summer Teen Public Art Intensive
- ❖ GALLERY OF FLIGHT: The Gallery of Flight celebrates the historical legacy of North American Aviation with humanities focused content, telling stories about aviators who made an impact in the field.
- ❖ CONTEMPORARY GALLERY: The Contemporary Gallery features dynamic works created by local, national and international contemporary multi-media artists. Some exhibitions feature works which are inspired by personal journeys and flight as a metaphor.
